

It is a call to "adhere to the Gospel, with more consciousness and vigor, especially in this a time of profound change such as humanity is experiencing." (Benedict XVI PF8)

We pray for the Synod of Bishops that at this time, in Rome, reflects and search for light to respond with new evangelization to the challenges of today's world. For us Claretian Missionaries may this year of faith be an opportunity to deepen this fundamental relationship with Christ and his Gospel and to facilitate the same way of renewal of faith in the Church and the world. (PF6)

"FAITH MAKES THEM WALK IN THE DARKNESS AND NIGHT"
