Pope Francis that enlighthens our missionary commitment... together with others collaborating in the same project of the klngdom of God: "When the Church summons Christians to take up the task of evangelization, she is simply pointing to the source of authentic personal fulfilment. For "here we discover a profound law of reality: that life is attained and matures in the measure that it is offered up in order to give life to others. This is certainly what mission means". (EG 10)

"May I Love you and make you loved" (S. A.M. Claret)
