

We join the thanksgiving of the Church for the holiness of **John XXIII and John Paul II**. As the Pope Francis said in his homily on the Mass of Canonization, they were "guides that have been led by the Holy Spirit;

**Guides that have been guided**

... ". To their intercession we entrust

t the Church today, praying so that all our steps, especially of those that orient the paths of faith and service, may be encouraged by this renewing Strength continuing to make possible our 'being born again'.
