

To all Sisters, Collaborators, Friends, Claretian Family, our Benefactors and our Families: our wishes to grow in fidelity to God in this process of restructuring. we are called to be Sisters and so let us continue our commitment to today's people "working to make brothers and sisters, to welcome them and love", in respect of each dignity.

Reviewing our past year, so intensive and rich in experiences, we enter the new year with hope and confidence.

Here to review our 2014: Video
