All over the world as Claretian Family we have celebrated on 24th the day of the Founder, inspirational person of our Charism and model of Evangelizer. Saint Anthony Maria Claret. The different posts on Facebooks, local websites, manifest the vigor of the missionary spirit of the Family in sharing the joy of the celebration, in gatherings, prayer services and renewed commitment for all the apostolates we carry out.

The same day the Centre of Studies on Claretian Spirituality in Vic (CESC) opens a new Website, where offers access to the sources: documents, writings, and reflections related with Saint Antonio María Claret.

This becomes a wonderful place for the encounter and deepining of his Charism so that may not be only a "virtual" space, but with it contains, enkindle our hearts with the missionary flame of Love for Christ and His Gospel.
